EXPERIENCE

2020 NOW | **UX/UI Designer & Co-Founder**
Golden Egg Design

- During my Minor Entrepreneurship I founded my own Digital Agency: Golden Egg Design. With my company me and my companion performed web design and graphic design for customers, whilst performing several tasks such as marketing and administration on the side.

2020 NOW | **Sales Assistant**
Sack-Time & Airforce flagship store in Zandvoort

- At Sack-Time and their second store Airforce I help clients with choosing the right products and checking out.

2021 | **UX/UI Design Intern**
The Pack in Wormer

- During my 20 weeks internship at The Pack I worked on multiple design projects as an UX/UI Designer. At The Pack I was responsible for multiple website designs at the same time. These were both client websites and The Pack websites. Beside performing design work I also built WordPress websites with the Elementor Page Builder.

2019 2020 | **UX/UI Design Intern**
Transavia / Peter Pan Vakantieclub

- During my 10 weeks internship at Transavia I redesigned the Peter Pan Vakantieclub, their non-profit organisation.

2018 2019 | **Cashier B**
Albert Heijn Overveen

- Responsible for checking out with customers.
- Providing customer service.
- Leading the cashier team.
- Responsible for closing the store safely.

2016 2018 | **Cashier A**
Albert Heijn Overveen

- Responsible for checking out with customers.

2018 | **Sales Representative**
Pandora Jewelry Haarlem

- Whilst working at Pandora Jewelry I helped clients with choosing the right products and checking out.
